SUCCESS STORIES

And Impressions from the course

DR. IONUTS UNGUREAN

I got to know that this way of implantology is pretty good, I got so excited about it, that I quit my job at a hospital. And I took over a clinic which works only with these implants. Since then I don't do anything else!

DR. MIGUEL

It changed my world, because with the Strategic Implant® everything is permitted, anything is possible, you improve oral health of the patient in only 24 hours, and the really important part for me you don't have peri-implantitis. Prof. Ihde forever!

DR. HABIB RITHA

I am very lucky to have learned this course. Thank you Dr Ihde for your generosity and your modesty. Thank you all to the team!
